

I want to support the improvements at Heberlig-Palmer Park

(located between N. Pitt St., Lincoln St., N. West St., & A St.)

In the amount of \$5 \$10 \$20 \$50

\$100 Other \$ _____

We invite you to help us transform the Heberlig-Palmer Park into an accessible, interactive, outdoor space with a walking path, natural playscapes, a natural amphitheater, edible landscaping, expanded picnic areas, chess tables, a soccer field, additional parking, and more!

The Carlisle West Side Neighbors Association and their partners already have enough money to install a walking path in 2014 but *your investment* in a well-lit, well-used, and maintained park will strengthen the community's safety, security, and personal neighborhood connections.

The Downtown Carlisle Association is acting as the fiscal sponsor for the project so your contributions will be well managed and tax-deductible.
